TO THE OCCUPIER

Date: 10th July 2018

Dear Sir/ Madam

WORKS INFORMATION AND NOTIFICATION LETTER: Bull Lane, Chalfont St Peter

Transport for Buckinghamshire will be undertaking highway maintenance road treatment works to the carriageway at Bull Lane, Chalfont St Peter from Austenwood Lane to Bulstrode Way. This work is being undertaken to improve the condition of the road in order to prolong its life, and will be carried out in two phases.

The surface dressing preparatory works here are scheduled to commence in mid July 2018 and it is anticipated they will take up to 7 days to complete.

Actual surface dressing dates have yet to be confirmed, however we anticipate this will be completed by the end of August and reinstatement of road markings completed by the end of September.

This phase of the work will be carried out utilising a road closure in operation between 09:30hrs and 15:30hrs. Information signs will be erected on site prior to the commencement of the works, giving the actual dates and durations

You will appreciate that works of this nature are extremely weather dependant and therefore may be subject to disruption due to inclement weather. If the works are delayed due to weather or any other unforeseen circumstances, the advance information signs on site will be updated to reflect any change in dates.

Every effort will be made to maintain access for residents, although there may be some delay as the road treatment works pass your property, and we apologise for any inconvenience this may cause. It is vital that we ask that whilst works are being undertaken that vehicles are not parked on the road and/or footway, as this would obviously cause an obstruction and prevent the necessary works from being carried out in their entirety.

Further information about our programme of work can be found on our website at <http://www.buckscc.gov.uk/transport> or alternatively you can call 01296 382416 and one of my colleagues will be able to pass your enquiry through to me.

Yours sincerely
Mary McElhinney
Schemes Delivery Co-ordinator
