

Covid-19 Information

Use of Open Spaces – East and West Commons and The Camp

Follow social distancing when out and about; leave space between you and others and avoid physical contact with people outside your household (unless they are part of your extended household bubble).

PLEASE DO NOT DROP LITTER

Playground at East Common

The play area has now reopened. For your own safety and the safety of others please read these simple instructions:

- 1. Parents must read this guidance and ensure that families follow it carefully for the safety of their children and others**
- 2. The play equipment is checked regularly for damage, wear and tear, but it is not sanitised or disinfected**
- 3. The equipment is shared and used at your own risk**
- 4. DO NOT use the equipment if you or any member of your household has coronavirus symptoms or are self-isolating**
- 5. Make sure you have hand sanitiser with you before using the play area**
- 6. Encourage everyone in your family to wash their hands with hand sanitiser regularly and as a minimum before and after using the play area**
- 7. Encourage children to avoid touching their faces**
- 8. You MUST maintain social distancing from others unless they are from the same household – current advice is to maintain at least 1 metre and consider wearing a face mask**

9. **Some equipment can only be used by one child at a time while social distancing. Please ensure your family waits at a safe distance if the equipment is in use or return later to use the equipment**
10. **Try to avoid busy times**
11. **Please do not drop litter**
12. **Wash your hands when you get home**

We hope you enjoy using the play area again and thank you for helping to keep everyone safe by following these simple instructions.
